- It will indicate that you are currently enrolled in a DMP. Not only that, your credit accounts will be frozen. You cannot open new credit accounts while completing this program.
- The good news is, this plan will help you increase your credit score. At least, this is true if follow through with the Debt Management Plan that the credit counselor will help you create. If you mess it up, you could be back where you started with all your credit card debts.
- National Debt Relief stopped all collection calls and are working with my creditors to settle my debts.
